

PLEASE READ IF YOUR CHILD WILL BE INVOLVED IN ANY SPORT AT DESERT RIDGE HIGH SCHOOL.

Athletic Clearance Packets for the 20120-2021 school year must be completed online through the RegisterMyAthlete.com website. Clearance packets will be processed then through the athletic office during the summer. All students other than football, planning to participate in the fall should have their packets completed online by July 24, 2020 . We encourage all athletes even for winter and spring sports to complete their packets online prior to the start of school. This is a must if your child will participate in any open gyms or fields because our athletic trainers are not allowed to treat your child for any type of injury unless these registration clearances are completed.

If you are UNABLE to upload the physical forms, concussion form, birth certificate or domicile statement form into the online registration system, please have your child bring them to the Athletic Office and we will upload them for you. But please be aware that if you can upload these documents yourself, the clearances will go much faster for your child. If you have turned in a concussion certificate and birth certificate in a prior year, we will upload those documents for you, you will only have to upload the 4 pages of the new physical and domicile statement. (Please make sure all empty spaces are filled in with correct information or your child will not be cleared to go out for sports). Please make sure you and your child electronically sign the online registration packet.

As in the past, athletic fees (\$100.00 per sport) can be paid via a tax credit as well. A tax credit form can be found in our DRHSjaguars.com athletic website under "forms". Print off a copy, attach cash, check or money order and have your child bring it in to the athletic office. If you are not paying your athletic fee via a tax credit, you can pay the athletic fee online in our online registration packet (there is a fee) or bring the payment (cash, check or money order) into the Athletic office. You can also pay through the Infinite Campus Parent Portal. Do not pay an athletic fee prior to tryouts because there a no refund policy.

In the packet, please mark off only the sports that your child is interested in. (see below for sports by season). If your child is transferring from another high school in the state of Arizona or even from out of state, there are additional forms from the AIA that need to be completed besides the online athletic registration packet. Please contact the athletic office to get this information at gale.elliott@gilbertschools.net or feel free to stop by and see Mrs. Elliott.
