Introduction

Freedom High School strives to offer as many sports as possible to both male and female students. All Athletic programs will stress academic success, physical fitness, character development, discipline, and good sportsmanship. Our student-athletes represent our school and community, and are expected to be student-leaders with positive behavior.

Students must have and maintain a 2.0 GPA (C average) or above, to be eligible to participate in athletic programs. In order for athletes to participate in daily practices and/ or games, they must be present for at least four consecutive periods that day. Students must also complete a satisfactory medical examination during each academic school year in which they plan to participate.
