### **II. SUPERVISION of REGION ACTIVITIES, TOURNAMENTS and MEETS**

Any school hosting a region tournament, dual competition or activity is responsible for providing adequate administrative supervision of the activity. Although it is the responsibility of the chairperson of each individual activity to see that region tournaments and meets are planned and well organized, it is the responsibility of the host school to provide adequate general supervision for the activity. If the host school is not the school of the chairperson, there should be a clear understanding between the activity chairperson and the host principal regarding the activity. In any case, the host school must provide general supervision for activities taking place in that school. Region Chairs will not be compensated for time to administer their region activity assignment. Visiting Administrators are to check in with the host school Administration.

### **III. ACCOMMODATIONS for VISITING TEAMS**

All dressing room facilities must be left in a clean and orderly manner. Visiting teams must bring their own towels. The visiting head coach will check facilities prior to departure of the visiting team. If a head coach receives a key to dressing room facilities from the home school, the key should be returned to the home school or Athletic Director. Security of personal items is the responsibility of the visiting team. Facilities will not be available for visiting teams other than locker rooms and playing facilities.

#### IV. OFFICIALS

Any misconduct of officials, including failure to show, or tardiness is to be reported to the home school's AD/Administration. A detailed report including names and improper conduct shall be submitted in writing to the Region III Board of Managers, the UHSAA office, and the arbiter involved. The host school should show the referees where the dressing rooms are located.

The UHSAA Officials Pay Agreements can be found at <http://www.uhsaa.org/officials/payscale.pdf>.

#### V. ELIGIBILITY of PLAYERS (see UHSAA Handbook By-Laws Section 1)

#### VI. SPORTSMANSHIP POLICIES (see UHSAA Handbook Administrative Policies and Guidelines #4)

We welcome our guests from (Visiting High School) and wish all players good luck in tonight's/today's game. Both schools are members of the Utah High School Activities Association and support the new statewide sportsmanship program Raise-the-Bar. Sportsmanship does matter and we ask for your support in demonstrating respect for the game and all the participants by refraining from negative cheers, chants or behavior. Do Rowdy Right”*

#### B. Cheer and Spirit Groups

- i. Mascots will not display inappropriate movement nor will there be any physical confrontations or mock wrestling between opposing schools' mascots. Mascots will stay in the area of their own cheer squads.
- j. For safety reasons, the host and visiting administrations will keep other students out of the space provided for cheerleaders. It is strongly recommended that cheerleaders store their gear in a secure and consolidated space behind their team's benches.
- k. Because academics are a priority, it is recommended that a cheerleader not be required to attend activities more than three times a week.

#### C. Pep Band, and Spectator Conduct:

**IX. SEEDING FOR STATE: PROCEDURE for BREAKING TIES for STANDINGS**

- A. The **Region Activity Chairperson** will facilitate the Tie-Break procedure with administrative representation from the involved schools at the earliest convenience once the tie has been confirmed by game results. Games to break ties will be played at home sites coordinated by the Region Activity Chairperson. The location of the game will be determined by head-to-head records. In the case of a tie, steps 9B-9E will occur until the tie is broken and the home site is awarded.
- B. **Head to Head Region records** (with tied teams) - In the event of a tie between teams qualified for state tournament positions, the seed will be determined by the win/loss records in region play of the teams involved in the tie.
- C. **Compare against highest Region finish** - If the tie still exists, the seed will be determined by comparing each team's record against the team with the highest region finish or next highest, etc. until the tie is resolved.
- D. **Compare head to head records** - Once a team has been awarded a seed they are no longer part of the tie-breaking scenario. After this process, if only two teams remain the remaining two teams will be seeded based on head to head competition records.
- E. **Coin Flip** - If a tie still exists after exhausting the above procedure, a coin flip will be conducted under the direction of the Region Activity Chairperson. Each school's representative will toss a coin. The coins tossed should land onto a floor surface (Refer to the individual sport's guidelines for the play-in competition format).
  1. For a **2-way tie for two seeds**, toss until only one "heads" coin occurs and that team will receive the higher seed.
  2. In the event of **more than two teams tying for available seeds**, all teams will flip coins with the team flipping the "odd coin" (different from the other coins) receiving the higher seed. The coin flip procedure will continue until all teams are seeded.
  3. In the event of multiple teams tied for **fewer playoff berths than teams tied**, teams will not be eliminated from state seeding without an opportunity to play for the final state berths. Tiebreaker Scenarios where fewer seeds are available than tied teams will use the guidelines below to determine seeding:

**Tiebreaker Scenarios for 1 spot (4th seed)**

    - 2-way tie - playoff game to determine the 4th seed.
    - 3-way tie - odd team (coin flip) waits to play the winner of the game between the same coin teams. Winner of second competition takes the 4th seed.
    - 4-way tie - coin toss to determine pairings (toss until two head and two tails), coin toss to determine the order of the games, 4-team tournament with winner taking 4th seed.

**Tiebreaker Scenarios for 2 spots (3rd and 4th seeds)**

    - 3-way tie - odd team (coin flip) takes the 3rd seed, same coin teams play for 4th seed.
    - 4-way tie - coin toss to determine game pairings (toss until two head and two tails), the two game winners toss a coin to determine 3rd and 4th seeds.

**Tiebreaker Scenarios for 3 spots (2nd, 3rd, and 4th seeds)**

    - 4-way tie - odd team (toss until one coin different than other three) takes 2nd, odd team (next coin flip) takes 3rd while remaining same coin teams play for 4th seed.

Sophomore games will be played on Tuesdays at the opposite site of the varsity game (doubleheader) and immediately after the JV game on Thursday.
- 2) Sophomore games are to begin immediately following the game prior with no more than an eight minute pre-game for each team. Sophomores will be limited to a 25 game schedule and are to be played by members of the sophomore and freshman classes only.
- 3) Game time may be changed only after agreement of the two coaches and the two principals involved. A date change must be approved through the Region Baseball Chairperson, who will inform all region principals. Date changes will only be approved for extraordinary circumstances rather than issues of convenience.
- 4) Each team will be allowed 15 minutes of warm up and infield practice and will follow the state and region guidelines.
- 5) Each postponed game must be made up in the order of the postponement on the first available playing date (including Saturdays). Flip flopping the schedule and playing at the visiting team's field, if it is playable will be done where it is possible to maintain the same number of home and away games between the two schools. Consideration needs to be given, when making a decision to stick to the home fields to the visiting team's predicament. In the event of a postponed game because of bad weather, it will be the responsibility of the home team coach to notify the visiting school and the officials by no later than 12:00 pm the day of the game.
- 6) When a game is called because of darkness or weather, the game will be resumed on the next available playing date and/or as the preliminary scheduled game of the two teams in the second or third game (including Saturdays). The five inning completion rule is in effect. In the third game, the game that is called will be resumed on the next available date, excluding JV league games. The home field coach will be responsible for notifying all those involved: umpires, scorekeepers, principals, and coaches.
- 7) The home team will be responsible to have an official scorekeeper, preferably an adult. The winning team is responsible to report the results of the game to the newspapers.
- 8) Baseball: 25 games. Each game played counts as one game.
- 9) If necessary, the dates of May 9-11, 2018 may be used as playoff dates to determine

third/fourth seed (last play-off) placement into the state tournament. If two teams are tied for the fourth play-off spot, the team that won the series will host the game and be the home team. The game must be played on the first available date after the last scheduled region games (May 9th). The tie breaker rule will be used for all other seeding issues. In the event that three teams tie for the third/fourth play-off spot, the following steps will be used to determine the third/fourth place team.

- A. If three teams are tied for the third seed, the necessary games must be played on the first available date after the last scheduled region games (May 9th). A coin flip will take place unless one of the three teams won the series against the two other teams. In the event that one team which won the series against the two other teams, they will go in as the 3rd seed and the other two teams will play for 4th seed at the teams field that won the series and will be home team.
- B. If three teams are tied for the third seed and there is no clear favorite for the third seed, all 3 teams will flip a coin. The team that flips heads with the other two teams flipping tails will go in as the 4th seed. The remaining two teams will play a game to see who goes in as the third seed. This 7 inning game will be played at a neutral site and a coin flip will determine home/away.

10) A coaches meeting will be held on the Saturday morning following the last regularly scheduled region games in order to select the all region team. Individual schools (coaches) are responsible to print certificates for the players selected to the all region team.

11) All Region: The team that takes 1st place will select the MVP and up to 5 other players for 1st team all region. The 2nd place can choose up to 4 players, 3rd place up to 3 players and 4th/5th place up to 2 players. For 2nd team all region and honorable mention players will be chosen by the coaches of the teams. Also, please submit your senior players, if any, who have achieved a cumulative GPA of 3.75 or higher for the Academic All Region team.

8. Student Congress: Each student may submit one piece of legislation. The legislative calendar will be set randomly at the Region Pairing Meeting by placing the name of each school in a hat and drawing out one name at a time to determine the first series of bills/resolutions to be considered. The order will then shift

(i.e. 1 to 2, 2 to 3 etc.) to determine the next set of bills/resolutions to be considered. This method will continue until all legislation has been placed on the calendar. All legislation must be final by the Region Pairing Meeting. Orders of the day will be used with modified National Forensic League rules. Six speech priority will be used. Congress rankings will be quartiled for breaking ties.
12. **Region Awards:** One Region Championship Trophy will be awarded. Region medals will be awarded for the top three (3) places in each event. That would result in the following medals count. ## Girls Soccer Policies

Region Activity Chairperson: **Dr. Dave Gatti, Taylorsville**  
Coaches' Representative:

First Practice Date: Monday August 1st. First Contest Date: Tuesday August 9<sup>th</sup>

1. All general policies in the Region III Activities Manual should be read and will apply to the sport of Soccer.
2. Each school has the option to play a maximum of 16 games for both Varsity and Junior Varsity as per instruction in the UHSAA Handbook. This total does not include playoff games.
3. Pre-season non-league games are to be scheduled as the schedule permits per UHSAA ruling if game imitation is changed.
4. Varsity and Junior Varsity games will be played on the same day, at the same site.
  - \* **Varsity game time is 3:30 p.m.**
  - \* Junior Varsity game time is 15 minutes after Varsity game is finished (**approx. 5:15 p.m.**)
  - \* Night games may be played, games will be negotiated between the two teams.
5. Changes in game time and/or site must be approved by the principals and coaches of both schools involved as well as the Region Chair which will notify all coaches.
6. Host schools are responsible for notifying officials in advance of any change in the schedule.
7. The winning coach will be responsible for calling the Varsity Team scores to the Deseret News (237-2162 after 4:00 p.m.)
8. The uniform sportsmanship policy (adopted August 30, 2010, by the UHSAA).
  - \* Soccer will be administered according to the policy listed in the general policies.
  - \* Any coach, player or bench personnel ejected by an official for unsportsmanlike behavior will be suspended from the next regularly scheduled game at that level of play and any intervening levels of play.
  - \* Any participant involved in a second incident/ejection will be suspended for the next two (2) regularly scheduled games.
  - \* A third ejection will result in suspension for the remainder of that season.
  - \* The fighting rule is incorporated as part of the sportsmanship policy. Any bench personnel other than the head coach who leaves the confines of the bench area during a fight are disqualified from the game and must leave the field. A squad member or any team personnel who leaves the bench area during a fight or who participate in a fight during the season, will be ejected from that game
  - \* Fans must be seated 10 feet from sideline - a painted white line must designate the fan seating area.
9. Home team must wear dark jerseys and dark socks; visiting team wears white jerseys and white socks.
10. Seating: the preferred seating arrangement is with both teams on one side of the field with fans seated on the opposite side of the field. When teams are seated on opposite sides of the field, fans must sit with their team on the appropriate sides.

11. Tiebreaker: See Region Policy for all activities.
12. Each postponed game must be made up in the order of the postponement. During the first round of region play, a postponed game will be made up by “flip/flopping” the schedule and playing at the “visiting” team’s field, if it is playable. If both fields are unplayable, the postponed game will be made up on the first available date as stated in how a game is made up in the second round. The visiting team will reverse the schedule for the second round. During the second round, a postponed game will be made up on the first available date at the “home” field, or at either field as agreed mutually by the coaches. When making a decision to stick to the “home fields” consideration needs to be given to the visiting team’s predicament. In the event of a postponed game because of bad weather, it will be the responsibility of the home team coach to notify the visiting school and the officials. This should take place by 1:00 p.m. if possible
13. If there is a tie and a berth is at stake, then the tied schools playoff. The teams play a full game. If there are three teams tied for a playoff spot, then two teams play determined by flip. The winner plays bye team. Winner goes. If three teams tie for two places, then the same format is used. However, the winner of the first game is in and the loser plays the bye team. All games are played on a neutral site.
