RE: PINK CRUSH Tributes

Dear Bronco Families,

Every year Brandeis Broncos Athletic Booster Club, BBABC, sells a newly designed PINK CRUSH t-shirt. This shirt is not only worn during cancer awareness month in October, it is worn all year long. This year our Brandeis Community is given the opportunity to pay "tribute" to those friends or family members that have fought the fight against cancer or are still fighting the fight. By donating towards a "tribute" you can choose to have a loved one listed on the back of our annual PINK shirt under "Tributes". A full name, initials, first name w/last letter initial; first initial w/full last name, or nickname can be listed.

These special "Tributes" cost only \$25 each and not only support our Brandeis athletes, but also promote awareness to the fight against cancer. This also makes it possible for us to provide the community with a standard PINK shirt for only \$5. In addition, the BBABC makes an annual contribution to a cancer association.

The deadline for submission is June 21, 2019, to allow enough time for printing and delivery by BHS Prep Days mid-August.

Mailing address for "Tribute" donation:

Brandeis Broncos Athletic Booster Club
13011 Kyle Seale Pkwy
San Antonio, TX 78249

If you have any questions, please contact us at methods given below:

Sincerely,

Yve Flowers and Sherry Martinez
