TWO SPORT PARTICIPATION

I, _____, would like to declare _____
(Student Athlete) (Primary Sport)

as my PRIMARY sport and _____ as my SECONDARY sport
(Secondary Sport)

for the _____ season.
(School Year)

I understand that I am to go to all functions of my PRIMARY sport first, which include practices, games, and any events my PRIMARY coach has set in place. I further understand that if there are no conflicts with my PRIMARY sport, I am able to attend the functions of my SECONDARY sport. It is my responsibility to keep open communication with the Head Coaches of each sport when and/or if there is a conflict. If there is a conflict, the coaches, along with the Athletic Director, will decide the outcome and where I am to be. I, the athlete, am never to make this decision.

By the signatures below, it is agreed upon to allow the athlete to participate in two sports during the same season:
