

2018 Girls Futsal Training/League

The Marshall High School Girls Soccer Program is proud to offer its 3rd annual Futsal Training/ League beginning in January of 2018. Futsal is a version of indoor soccer played around the world. It is great for developing foot skills and confidence on the ball. Many of the world's greatest players honed their skills with Futsal and I believe it has become a foundation for the success of our girls' high school program over the past two seasons - 2 League & 2 District Titles. We are excited to be offering this opportunity again to current and future Redhawks. Futsal is for players of all ages to continue to sharpen and develop their skills and fundamentals which will help our program continue to succeed on a high level.

CLINICIAN: I am very excited to announce that this year's clinician is Anna Stinson. Following a stellar high school career at Portage Northern, Anna had a highly decorated career at Division 1 Illinois State followed with a national championship this past summer playing for Grand Rapids FC's Women's Team. This is a great opportunity to train with an excellent player that is excited about becoming part of the Marshall Soccer Community.
