WHO: School-aged athletes with **acute** sports related injuries that have not had previous treatment by a doctor for their injury (excluding head injuries).
Please note: CONCUSSIONS CANNOT BE EVALUATED. WE CAN ONLY TREAT ONE INJURY PER VISIT.

VISIT: X-rays and initial exam by provider are included. Please bring insurance cards and/or school claim forms to present at check-in in case further studies (i.e. MRI) are needed. Patients with injuries needing follow-up care will have appointment scheduled during regular clinic hours, then billed accordingly.

CONSENT: Parent or guardian attendance is required when the athlete is a minor, or athlete's Coach or Athletic Trainer **must** bring an authorization to treat a minor form signed by the parent or guardian.

REHAB: Rehabilitation may be provided by the school Athletic Trainer, when available or applicable or local physical therapy may be prescribed.

REFERRAL: Some athletes will be required to see their primary care physician to obtain referral for further care when appropriate.
