FAITH FAMILY FOOTBALL

COYOTE FOOTBALL MISSION STATEMENT

Our mission is to take the student-athlete where he can not take himself. As coaches, we will be supportive and active in promoting academic and athletic achievement. We will exhibit an exemplary foundation of leadership and mentor our players to relentlessly pursue the "Character of a Champion" with its cornerstone being... **FAITH, FAMILY, and FOOTBALL.**

We feel that success is measured in terms of the ability of the student-athlete to reach their full potential. Our responsibility as coaches is to assist our players and help them reach their full potential as people, students, and athletes.

We will love our players! Our objective is to develop a family type atmosphere within the football program. We understand that for our football program to be successful there must be coaches who care about players, players who care about coaches, and most importantly **players that care about one another.**

Ultimately, our number one priority is to assist in the creation of better fathers, husbands, and **MEN** which will have a far greater impact upon the world than winning football games!
