To All Prospective Players and Parents:

Welcome to the St. Agnes Volleyball Program. I have listed all of the dates and times for the first two weeks of try-outs and practice. Additionally, we will be trying to schedule a scrimmage for all three teams so practice times may change on that day. As soon as it is scheduled, I will let you know.

It is crucial that all players come to the first week of try-outs. We will be going over all the skills and evaluating the players to determine team placement. In order to be considered for the varsity team, it is mandatory that you are present for the first week of try-outs which begin on Monday August 12, 2019.

All the necessary paperwork must be completed and the participation fees paid before you are eligible to try-out.
