

Welcome to the Marion City Schools Athletic Boosters

The Marion City Schools Athletic Boosters meet the second Tuesday of each month in the library at Harding High School at 6:30pm. Please come and join in the support of the past, present, and future of our schools. We invite anyone with an interest in MCS athletics to join and actively participate in Boosters.

The Booster Club continues our rich tradition of helping to sponsor and fund a variety of initiatives. Some of our current endeavors include:

- providing scholarships for student athletes each year
- helping to fund and secure equipment for teams including sleds and cameras for football and wrestling mats
- HUDL subscription for volleyball, basketball, and football
- “1000 Point” boards located in the main hall at HHS
- help supply warm-ups and game uniforms including cleaning, repair, and purchase of football helmets
- purchase, upkeep, and replace equipment in all concession stands
- update and repair weight room equipment
- provided resources to fund wind block on visitors’ side of the stadium
- donate to the Kory Kirkpatrick “Forever Smiles” foundation
- secure community support to fund fireworks for home football games
- support and fund hospitality room for the Wrestling Classic

For more information, please contact any Board member.

Come and join in the support of the past, present, and future of our schools!
