Wish List

Grady Athletic Booster Club would like to be able to offer two deserving Senior athletes from each sport with a \$ 2,500 undergraduate scholarship to be presented at Community Night for Fall, Winter and Spring Sports. Each athlete interested in the scholarship would submit a one-page essay related to how their sport has helped to shape their lives. Each essay will be reviewed by the Grady Athletic Booster Club Board of Directors and Coach Patrick Johnson.

The total number of athletes would be 6 for a total of \$ 6,000 to support this new program.
