

SCHS ATHLETIC BOOSTER CLUB

2018-2019 ANNUAL MEMBERSHIP FORM

The Stoney Creek High School Athletic Booster Club is open to all adult community members interested in supporting our High School Athletes. Our mission is to work in cooperation with the Athletic Department and Administration to financially support all Cougar Athletics and to recognize the accomplishments of our student athletes and coaches. With less state and local funding available for athletics each year, the role of the SCHS Athletic Booster Club is more important than ever.

Booster Club funding comes from membership fees and concession stand sales. Parents may volunteer to work at the concession stand and other SCHS Athletic Booster Club activities and earn volunteer points (\$) for their team of choice.

Along with concession stand money coaches have the opportunity to ask for a team grant. Starting this year overall team membership percentage will carry weight when deciding coach grants. Over the past several years, the Booster Club has provided the necessary funds to assist with the following purchases and upgrades:
