*Go Prospectors fight the enemy,
Make them kneel before our varsity,
We're behind you with our battle cries,
Indestructible we will do or die,
For AJHS Arizona,
We are brave and,
We are bold,
And we will fight, Prospectors
For the black and gold.*

The Apache Junction Prospector Athletics program is committed to growing student athletes as citizens by encouraging responsibility, character, and dedication while also building the skills of the athletes and fostering a competitive spirit. Our program's goals are built around achieving this sense of personal growth for each athlete as well as positively representing and bringing athletic success to Apache Junction High School.

Requirements

All student athletes must register online through Register My Athlete (<https://registermyathlete.com>) and complete and/or upload the required documents: an AIA Sports Physical, Proof of Insurance, Permission to Participate and Acknowledgement of Risks forms, Emergency Contact information, Completion of the Brainbook and Opioid courses, and a signed copy of the MTBI/Concussion Statement. All the forms can be found in this packet and are online in the Register My Athlete portal. A student will NOT be allowed to participate in any sport related event including tryouts, practices, and games until these documents are on file.

- **Physicals** - Per AIA Bylaw, no student may participate without a physical on file. Physicals must be completed each year prior to participation and are good for one calendar year from the signed physical date. Physicals dated AFTER March 1, 2020 will be acceptable to cover the entire 2020-2021 school year. Due to COVID-19 many families and athletes have not felt comfortable visiting their primary care provider for routine healthcare. While the AIA endorses that primary care offices are taking necessary precautions to minimize you/your family's risk of being exposed to COVID-19, we also want to respect the choices you make while still honoring the AIA commitment to player health and safety. For these reasons, the AIA with support from the AIA sports medicine advisory committee is adopting the following guidelines for the 2020-2021 school year.
 1. The 2019-2020 sports physical shall be accepted for the 2020-2021 school year if the following criteria are met over the time period since the athlete's 2019-2020 sports physical
 - a. Athlete has a 2019-2020 sports physical on file with the school he/she is attending for 2020-2021.
 - b. Athlete did not have any new injury or illness requiring outside medical evaluation or if injury did occur, was released for full athletic participation by a medical professional.
 - c. Athlete did not have a concussion
 - d. Athlete did not receive a new medical diagnosis
 - e. Athlete has not had COVID-19
 2. Athlete must see his/her primary care provider and have an updated sports physical for 2020-2021 if any of the above criteria are not met.
 3. If athlete does not have a 2019-2020 sports physical form on file at the school he/she is attending for the 2020-2021 school year, the athlete will also need to complete a 2020-2021 sports physical.
 4. 2020-2021 Health History (15.7-A, page 3) is to be completed and signed by student and parent/guardian.

- **Brainbook** - Per AIA bylaw, Brainbook is a required AIA course. Student athletes are only required to complete this course once during their high school career. Students must pass with an 80% or higher. The course can be found on <https://academy.azpreps365.com>. We strongly encourage all parents to take the course with their students.
- **Opioid Education** - Per AIA bylaw, Opioid Education is a required AIA Course. Student athletes are only required to complete this course once during their high school career. Students must pass with an 80% or higher. The course can be found on <https://academy.azpreps365.com>. We strongly encourage all parents to take the course with their students.

AIA and Sport Specific Rules and Bylaws

The athletic program is bound by the Bylaws set forth by the AIA. All bylaws can be found at www.aiaonline.org. Unless stated otherwise in AIA bylaws, NFHS rules for specific sports are used.

Risks

All sports run the risk of injury, including the potential for catastrophic injury. All parents are required to sign the *Parent Consent and Acknowledgement of Risks* form in this packet in order for their child to participate.

AJUSD policy requires student athletes to have health insurance and provide a copy of that insurance to the Athletics Office. If your student does not have insurance, the Athletics Office can assist in obtaining low, to no cost insurance for the duration of the sports season your child is participating in.

In the event of a concussion, there is free insurance coverage provided through the AIA called *Headstrong*. This can help offset the costs of concussion treatment, even if the student already has insurance. Please contact the athletics office for information regarding the use of the *Headstrong* program.

Eligibility

Students are able to participate in **one** sport per season. AIA Bylaws do not permit students to participate in multiple sports per season. A student can participate in all seasons, but only one sport per season.

Enrollment - In order to participate with AJHS Athletics, a student must be enrolled in Apache Junction High School for 5 courses during their Freshman, Sophomore, and Junior years and 4 courses their Senior year. Students are allowed 8 consecutive semesters of participation from their first enrollment as a Freshman. This means that a 5th year Senior may not participate in athletics. On game days, Freshman, Sophomore, and Junior students must be in attendance 4 periods to participate and Seniors must be in attendance 3 periods to participate. School administration can make an exception for events such as a funeral, medical reasons, etc. Home school students that are in compliance with A.R.S. 15-802.01 may participate in AJHS athletics if they live within the AJHS boundaries.

Transfers - All transfer students must alert the Athletics office if they are interested in playing sports and complete the AIA 550 Transfer form: <https://admin.aiaonline.org/public-forms/student-transfer>. If a student transfers without submitting the AIA paperwork or without following AIA transfer procedures, they will be deemed ineligible and may lose eligibility. Any games an ineligible player participates in are forfeit.

Paperwork - All student athletes must have, on file with the Athletics Office, **an AIA Sports Physical, Proof of Insurance, Permission to Participate and Acknowledgement of Risks forms, Emergency Contact information, Completion of the Brainbook and Opioid courses, and a signed copy of the MTBI/Concussion Statement.** All the forms can be found in this packet and are online in the Register My Athlete portal. A student will NOT be allowed to participate in any sport related event including tryouts, practices, and games until these documents are on file.

Academic - All student athletes are required to have a C or higher to avoid becoming ineligible for participation. Please note that a coach can raise the minimum grades required to participate.

- An *F* in any class renders the student athlete ineligible to compete/travel until the next grade check, even if a passing grade is achieved early. Participation in practice is allowed.
- A second, consecutive *F* in the same course and the student athlete may be dropped from the program.
- A second, Consecutive *F* in a different course renders the student athlete ineligible to compete/travel until the next grade check, even if a passing grade is achieved early. Participation in practice is allowed.
- Dropping a course with an *F* grade recorded renders the student ineligible for the remainder of the season.

Tryouts - Some sports will require tryouts, while others are available to all athletes that attend. Per AIA bylaws, students may only try out for a maximum of 2 sports PER SEASON. For example, a student might try out for volleyball but not make the team. The student could then go out to golf and participate in the golf program. However, if a student in the next season tries out for basketball and does not make the team, then tries out for soccer and does not make the team, they are then ineligible for sports until the spring season where they have an opportunity to try out for two sports again. **All athletic paperwork must be current and on file with the athletics office in order for students to participate in tryouts.**

Non-School Participation - Students are not allowed to compete on any club, all star, or non school athletic team during the school season of a sport. For example, a volleyball player may not compete with her club during the AIA volleyball season. If a student participates with their club after the first scheduled game, the player has forfeited eligibility for one year and the school team must forfeit any match the student participated in.

Costs of Participation

AJHS charges a **\$150 Pay to Participate fee** for any sport. This fee does not have to be paid at the time of the athlete's registration. Being selected to the team, participating in practice, and being placed on a roster constitutes participation, and participation fee is applicable. There is no guarantee of playing time in competition for any athlete. Please note that some sports may require additional money for sport specific equipment. This will be communicated by the coaches. All participation fees are paid online through Register My Athlete.

Pay to Play Fees must be paid by the following dates for student athletes to participate:

Fall Sports August TBD
Winter Sports November TBD
Spring Sports February TBD

Register My Athlete

All students must register for their sport through *Register My Athlete*. Athletes must be registered and cleared before participating in practice.

REGISTER MY ATHLETE INSTRUCTIONS (from our webpage: <https://registermyathlete.com/login/>)

Register My Athlete allows parents to register their athletes for sports online. Here are some basic steps to follow when registering your athlete for the first time:

Find your school: Find your school by going to <http://registermyathlete.com/school/> , select your state and find your school. Click on the school to continue to the next step.

Create an account: Begin creating your account by clicking the “create an account” button. After filling in the required information the system will automatically log you in and you will be required to accept the terms of use.

Add a new athlete: Add an athlete by clicking on the “my athletes” tab on the left-hand side of the page or by clicking “add athlete” underneath the “my athletes” tab. This only needs to be done once during your athlete’s career at a school. The information entered here will carry from year to year. This information includes your athlete’s contact information and medical information.

The athlete’s profile: After you’ve created your athlete you will be brought to their profile page. This page is a summary of their information and involvement.

Register for a sport: Click “+register for a sport” to begin registration, you will be asked to choose which sport your athlete is registering for.

Your registration checklist: This page shows the status of your athlete’s registration. You will be asked to complete several steps to complete registration including agreeing to documents and completing the physical.

Physicals: Physical documentation should be completed by the parents (or medical professionals as needed). Parents have the ability to upload these physical documents to the system. Uploaded documents will be verified by the administration at the school prior to being accepted as complete. (If a document upload is rejected for any reason, the parent will receive an email with the rejection reason. After the error has been corrected, parents will be able to re-upload the document for re-verification).

Complete registration: Your registration is complete once all items on the checklist have been completed.

After registration: After registration is complete you can login at any time to view the status of your athlete and their participation on the team.

ADDITIONAL ATHLETES: Under the same account, repeat steps 3-9 to register additional athletes.

FUTURE SEASONS & YEARS: Once your athlete has been added to your account, you only need to follow steps 5-8 to register them for another sport.

Code of Conduct

Apache Junction believes in and supports the AIA’s *Arizona Accord*: Trustworthiness, Respect, Responsibility, Fairness, Caring, Citizenship as important character traits for all athletes.

AJUSD Code of Conduct - All student athletes are expected to represent AJHS in a positive manner, including treating visiting schools and home-schools when on the road with respect. The AJHS Code of Conduct applies to athletes during any sporting event including practice, events, travel, before the game, during the game, and after the game. Athletic and non-athletic consequences may be issued to any student who violates the expectations in the code of conduct.

Social Media - All AJHS athletes on social media are expected to hold themselves to a higher standard. Negative behavior towards teammates, other schools, coaches, or AJHS on social media may result in consequences for the athlete. Teams are built around trust and negative treatment of teammates on social media, at practice, or in school will not be accepted.

Hazing - Hazing of any athletic participants is not acceptable. Please report any instance of hazing to the athletic office immediately.

Controlled Substances - Any illegal use of controlled substances by AJHS athletes during the season may result in consequences ranging from suspension to removal from the team. This includes on or off campus.

Performance Enhancing Substances - Use of performance enhancing substances may result in consequences for the student athlete including removal from the team. The AIA official stance is attached to this packet and must be read by all athletes.

Attendance

On game days, freshman, sophomore, and junior students must be in attendance 4 periods to participate and seniors must be in attendance 3 periods to participate. School administration can make an exception for events such as a funeral, medical reasons, etc.

Transportation

All students are expected to ride the bus to and from games with the team. Under no circumstance should athletes ride to away games with other students. If a parent wants to drive their own athlete to/from an away game, that must be cleared with the head coach and the *Alternate Transportation Release Form* must be signed and on file with the Athletics Office. If the student is leaving through alternate transportation, the student must be released to a parent/guardian unless arrangements have been made with the Athletics Office and the head coach.

Coaches

AJHS Athletics strives to provide the best coaches possible for your student athletes. We understand that disagreements will happen with coaching philosophies. You are welcome to contact coaches to discuss concerns; however, we do ask that you support the coaches in conversation with your student athlete. Speaking poorly of the coach, program, or school to your student is not productive. Communicating concerns to coaches will help resolve concerns quickly and effectively. If a situation arises with a parent and coach, we ask that each party takes one day before communicating that frustration with the coach or Athletics Office. Games create a competitive atmosphere and charged conversations may happen. We ask that a day is taken to ensure the most productive conversation possible. Confrontations during games will not be tolerated and may result in removal of a parent or athlete from the playing area and potential, additional consequences. Please work to resolve concerns directly with the coach; however, the Athletic Office is available to facilitate meetings.

Lettering

In order to letter, a student athlete must dress and play in 50% of the varsity games. A coach may request through the Athletic office a varsity letter for any athlete who provided a significant contribution to the success of a varsity team

ARIZONA INTERSCHOLASTIC ASSOCIATION, INC.

AIA POSITION STATEMENT

SUPPLEMENTS, DRUGS AND PERFORMANCE ENHANCING SUBSTANCES

PURPOSE OF FORM: All AIA Member schools are required to ANNUALLY communicate this AIA Position Statement on the use of supplements, drugs and performance enhancing substances to every participant in interscholastic activities. (See Article 14, Section 13, Paragraph 2).

The Arizona Interscholastic Association (AIA) views sport, and the participation of student-athletes in sports, as an activity that enhances the student-athlete's well-being by providing an environment and stimulus that promotes growth and development along a healthy and ethically based path.

- It is the position of the AIA that a balanced diet, providing sufficient calories, is optimal for meeting the nutritional needs of the growing student-athlete.
- It is the position of the AIA that nutritional supplements are rarely, if ever, needed to replace a healthy diet.
- Nutritional supplement use for specific medical conditions may be given individual consideration.
- The AIA is strongly opposed to "doping", defined as those substances and procedures listed on the World Anti-Doping Agency's Prohibited List (www.wada-ama.org).
- It is the position of the AIA that there is no place for the use of recreational drugs, alcohol or tobacco (e-cigarettes) in the lifestyle of the student-athlete. The legal consequences for the use of these products by a student-athlete are supported by the AIA.

In pursuit of **Victory with Honor**, the AIA promotes the use of exercise and sport as a mechanism to establish current fitness and long-term healthy lifetime behaviors. It is the position of the AIA that the student-athlete, who consumes a balanced diet, practices sport frequently and consistently, and perseveres in the face of challenges, can meet these goals.

Arizona Interscholastic Association, Inc. Mild Traumatic Brain Injury (MTBI) / Concussion Annual Statement and Acknowledgement Form

I, _____ (student), acknowledge that I have to be an active participant in my own health and have the direct responsibility for reporting all of my injuries and illnesses to the school staff (e.g., coaches, team physicians, athletic training staff). I further recognize that my physical condition is dependent upon providing an accurate medical history and a full disclosure of any symptoms, complaints, prior injuries and/or disabilities experienced before, during or after athletic activities.

By signing below, I acknowledge:

- My institution has provided me with specific educational materials including the CDC Concussion fact sheet (<http://www.cdc.gov/concussion/HeadsUp/youth.html>) on what a concussion is and has given me an opportunity to ask questions.
- I have fully disclosed to the staff any prior medical conditions and will also disclose any future conditions.
- There is a possibility that participation in my sport may result in a head injury and/or concussion. In rare cases, these concussions can cause permanent brain damage, and even death.
- A concussion is a brain injury, which I am responsible for reporting to the team physician or athletic trainer.
- A concussion can affect my ability to perform everyday activities, and affect my reaction time, balance, sleep, and classroom performance.
- Some of the symptoms of concussion may be noticed right away while other symptoms can show up hours or days after the injury.
- If I suspect a teammate has a concussion, I am responsible for reporting the injury to the school staff.
- I will not return to play in a game or practice if I have received a blow to the head or body that results in concussion related symptoms.
- I will not return to play in a game or practice until my symptoms have resolved AND I have written clearance to do so by a qualified health care professional.
- Following concussion the brain needs time to heal and you are much more likely to have a repeat concussion or further damage if you return to play before your symptoms resolve.

Based on the incidence of concussion as published by the CDC the following sports have been identified as high risk for concussion; baseball, basketball, diving, football, pole vaulting, soccer, softball, spiritline and wrestling.

I represent and certify that I and my parent/guardian have read the entirety of this document and fully understand the contents, consequences and implications of signing this document and that I agree to be bound by this document.

Student Athlete:

Print Name: _____ Signature: _____ Date: _____

Parent or legal guardian must print and sign name below and indicate date signed:

Print Name: _____ Signature: _____ Date: _____

2020-21 CONSENT TO TREAT FORM

Parental consent for minor athletes is generally required for sports medicine services, defined as services including, but not limited to, evaluation, diagnosis, first aid and emergency care, stabilization, treatment, rehabilitation and referral of injuries and illnesses, along with decisions on return to play after injury or illness. Occasionally, those minor athletes require sports medicine services before, during and after their participation in sport-related activities, and under circumstances in which a parent or legal guardian is not immediately available to provide consent pertaining to the specific condition affecting the athlete. In such instances it may be imperative to the health and safety of those athletes that sports medicine services necessary to prevent harm be provided immediately, and not be withheld or delayed because of problems obtaining consent of a parent/guardian.

Accordingly, as a member of the Arizona Interscholastic Association (AIA), _____ (name of school or district) requires as a pre-condition of participation in interscholastic activities, that a parent/guardian provide written consent to the rendering of necessary sports medicine services to their minor athlete by a qualified medical provider (QMP) employed or otherwise designated by the school/district/AIA, to the extent the QMP deems necessary to prevent harm to the student-athlete. It is understood that a QMP may be an athletic trainer, physician, physician assistant or nurse practitioner licensed by the state of Arizona (or the state in which the student-athlete is located at the time the injury/illness occurs), and who is acting in accordance with the scope of practice under their designated state license and any other requirement imposed by Arizona law. In emergency situations, the QMP may also be a certified paramedic or emergency medical technician, but only for the purpose of providing emergency care and transport as designated by state regulation and standing protocols, and not for the purpose of making decisions about return to play.

PLEASE PRINT LEGIBLY OR TYPE

"I, _____, the undersigned, am the parent/legal guardian of, _____, a minor and student-athlete at _____ (name of school or district) who intends to participate in interscholastic sports and/or activities.

I understand that the school/district/AIA employs or designates QMP's (as defined above) to provide sports medicine services (as also defined above) to the school's interscholastic athletes before, during or after sport-related activities, and that on certain occasions there are sport-related activities conducted away from the school/district facilities during which other QMP's are responsible for providing such sports medicine services. I hereby give consent to any such QMP to provide any such sports medicine services to the above-named minor. The QMP may make decisions on return to play in accordance with the defined scope of practice under the designated state license, except as otherwise limited by Arizona law. I also understand that documentation pertaining to any sports medicine services provided to the above-named minor, may be maintained by the QMP. I hereby authorize the QMP who provides such services to the above-named minor to disclose such information about the athlete's injury/illness, assessment, condition, treatment, rehabilitation and return to play status to those who, in the professional judgment of the QMP, are required to have such information in order to assure optimum treatment for and recovery from the injury/illness, and to protect the health and safety of the minor. I understand such disclosures may be made to above-named minor's coaches, athletic director, school nurse, any classroom teacher required to provide academic accommodation to assure the student-athlete's recovery and safe return to activity, and any treating QMP.

If the parent believes that the minor is in need of further treatment or rehabilitation services for the injury/illness, the minor may be treated by the physician or provider of his/her choice. I understand, however, that all decisions regarding same day return to activity following injury/illness shall be made by the QMP employed/designated by the school/district/AIA.

I clearly understand that it is the **Apache Junction Unified School District (AJUSD) policy that all students participating in interscholastic activities must have health insurance** and that the school cannot pay any medical costs resulting from injury to a student. The school does NOT provide any medical insurance or claims assistance in the event of an accident. AJUSD does make voluntary student insurance available. Please contact the Athletic Office at Apache Junction High School if you would like to review and/or purchase this insurance.

I have my own insurance: Yes No I have purchased student accident insurance: Yes No

In the event I cannot be reached, I, the undersigned parent/guardian of the student named above, do hereby give and grant unto any medical doctor or hospital my consent and authorization to render such aid, treatment or care to said student as, in the judgment of said doctor or hospital may be required, on an emergency basis, in the event said student should be injured or stricken ill while participating in an interscholastic activity sponsored by the above named school. IT IS HEREBY understood that the consent and authorization hereby given and granted are continuing, and are intended by me to be valid for 365 days unless rescinded.

Parent/Guardian Signature: _____ Date: _____

**Apache Junction Unified School District #43
Apache Junction High School**

PERMISSION TO PARTICIPATE AND ACKNOWLEDGMENT OF RISKS

PARENT/GUARDIAN

I give my permission for my student named below to participate in organized interscholastic athletics, realizing that such activity involves the potential for injury, which is inherent in all sports. I acknowledge that even with the best coaching, use of the most advanced protective equipment and strict observance of rules, injuries are still a possibility. On rare occasions, the injuries can be so severe as to result in fractures, brain injuries, total disability, paralysis, quadriplegia or even death.

ACKNOWLEDGMENT OF RECEIPT, UNDERSTANDING AND ADHERENCE

PARENT/GUARDIAN & STUDENT

I have received, understand and agree to adhere to and support the following:

- AJHS Athletics policies listed in the participation packet including risks, behavior, eligibility, academics, attendance, and cost.
- AIA Position Statement addressing supplements, drugs and performance enhancing substances
- Pay to Participate Fee
- Proof of health insurance agreement

Student Name: _____

Sport(s): _____ **Student Phone Number:** _____

I acknowledge that I have received, read and understand this warning.

Date: _____

Alternate Transportation Release Form

PARENT/GUARDIAN

I give my permission for my student named below to deviate from the transportation policy of the Apache Junction Unified School District (AJUSD) by driving my student to and/or from the activity named below.

No student shall be transported by another high school student nor shall transport another student.

Student Name: _____

Activity: _____

- I understand that automobile insurance is required and I agree to provide proof of insurance prior to my student driving his or her self.
- I understand that the ability of coaches and other school officials to properly supervise students may be impaired when students are not under their direct control.
- I agree that coaches should not be held accountable when students who are authorized to use alternative means of transportation do so.
- I agree to release the AJUSD and its employees and officers from all liability for any adverse results that may occur with reference to the above-stated transportation.
- I understand that coaches reserve the right to refuse requests by players to leave their teams if, in the coaches' opinion, it serves the best interest of the individual or the program.
- I have read this document carefully and sign it voluntarily with full knowledge of its significance.

Parent/Guardian Signature: _____

Parent/Guardian Name: _____

Phone Number(s): _____

Date: _____

***Please note this form is only required if you will need to use alternate transportation during the season**

***Alternate transportation must be approved by the coach prior to game day**

Transportation Release Form

Parent / Guardian

As parent/guardian of _____,

Student's Name

a student at Apache Junction High School, I/we understand that Apache Junction Unified School District will be providing transportation to and from _____

Name of Sport

activities in which my student desires to participate. These events will include scrimmages, practices, and AIA sanctioned games and events.

I understand that all students attending an athletic competition will be responsible for conduct to the driver of the vehicle at all times.

I understand that students are required to go and return from the athletic competitions on the transportation provided, unless prior arrangements have been made and agreed in writing by the principal or designee.

I understand that all persons participating in a field trip or excursion shall be deemed to have waived all claims against Apache Junction Unified School District for injury, illness or death occurring during or by reason of the field trip or excursion. I understand, the undersigned, the parent or legal guardian, of the above named participant, acknowledge that as a condition of my son/daughter/ward participating in said activity, agree to indemnify and hold harmless the school, its employees and volunteers, the Apache Junction Unified School District, its governing board, the individual members thereof, and all other district officers, agents and employees from any liability, lawsuit, cost, expense or claim of any type whatsoever (including attorney's fees) for any harm, injury or death arising out of participation in the above stated athletic activities.
