Coaches Comments – Trent Shaffer discussed the need to update the equipment in our weight room. The coaches are working on getting our athletes to utilize the weight room regularly to work on strength, agility, and to also have a winning mentality. It was discussed that if we want to effectively compete in the WCAL and post season tournaments, then we, the athletic department and boosters, need to update the weight room. After the meeting, Coach Elaine Tomassetti donated Volleyball's \$1000 to the weight room project. Thank you!

The next meeting is scheduled for Monday, June 10, at 6:30 pm.
