You helped make this happen!

It is a proven fact that students who participate in sports and other extracurricular activities do better in school and are more likely to have a positive impact on fellow students and their community. We believe that being involved in these additional activities help our young adults build character, sportsmanship, self-esteem, and leadership skills.

On average, The Ravenna Gridiron Club supports more than 400 students annually through football and cheerleading, from Kindergarten through 12th grade. It is our goal that every student succeeds at their maximum potential through receiving a quality education, quality coaching, and having access to proper equipment and technology.

To assist our efforts in helping students succeed in our programs, we hold fundraisers. We are holding our 22nd Annual Ravenna Football Golf Classic on June 1, 2019 at the Windmill Lakes Golf Course. This event attracts over 200 participants and volunteers. The success of this golf outing is dependent on the organization hosting a quality event and through the prizes and raffle items donated by our valued supporters. We are a non-profit organization and every dollar raised goes to the children and young adults that the Ravenna Gridiron Club supports.

Your support will make a meaningful difference in the lives of our youth. The Ravenna Gridiron Club is a 501(c)(3) non-profit organization and all donations are tax deductible.

Thank you for your consideration to a very worthwhile cause. Our program appreciates your continued support and dedication to positively impact our youth and community.

Sincerely,

James A. Lunardi
