ARR Summer Series Races are put on every summer by the Arizona Road Racers, arizonaroadracer.com. You can signup and register for these races on their website. Kids, 18 and younger, can sign up in advance for \$5 per race or you can become an annual member for \$25 individual and \$35 for family. When you sign up as annual member, kids race for free. You still need to register for each race if you are an annual member.

Shaw Butte Hill Climb is a 1.25-mile (675ft) hill climb time challenge. Last season we only ran the HS athletes on this trail, but I am opening it up for any athlete that would like to take part. We will meet at 7th St and Thunderbird Rd (large parking lot on southwest corner). The team will warm up there and then run .75 miles as part of the warmup to the base of the hill (Central and Aster Dr). The hill climb will take between 15-30 minutes to climb. We then head down as a team and meet back at the 7th St parking lot. We will probably use Starbucks or Dunkin Donuts across the street as the breakfast hangout spot afterwards. **Athletes should not attend if they are not prepared to run around 4 miles and 30-45 minutes.**

MS Summer Runs will all start at the school gym unless we send out additional information. Each run will consist of warmups, a 30-45 minute run, stretching/core strength and then a game activity.
