

MIDDLE SCHOOL INFORMATION SHEET (2018)

1) PHYSICAL PACKET & PAPERWORK - All athletes must have their physical / paperwork completed and turned in prior to their participation in try - outs or athletics for the (2018 - 2019 seasons).

2) CAMP INFORMATION - Brennan high school will offer mutiple camps in multiple sports throughout the Summer. Your child is strongly encouraged to attend any and all camps possible. This will provide them maximum exposure to the coaching staff and best prepare them to make the team(s) their freshman year.

3) SUMMER PRACTICES & TRY - OUTS - Fall sports require Summer practices and try - outs. These sports include Football, Volleyball, Cross - Country, Swimming and Tennis. You must have your physical / paperwork completed and turned in to try - out in these sports. Try - outs are mandatory in several sports both male and female, and missing any / all of try - outs will result in not making the respective team(s). **

4) PLAYING MULTIPLE SPORTS - The Brennan high school coaching staff **highly** recommends your child to try - out and participate in as many sports as possible during their first two years of high school. Too often, kids try to specialize and in the long run it doesn't work out and they are left on the outside looking in, thus ending their high school athletic career prematurely by speacializing with no foundation in other sports. We **strongly** encourage kids to play and participate in **multiple sports** through their **sophomore** year so the kids, parents and coaches can make the **best** and most **educated** decisions regarding the athlete's future in each sport.
