

## Transportation in Private Vehicles (Non-District Sponsored Transportation) Permission Slip and Release and Waiver of Claims (COVID-19 PANDEMIC)

As a result of the COVID-19 Pandemic, Vandalia-Butler City School District Board of Education encourages the use of private vehicles for the transportation of students to and from student activities. This will increase the ability of the school to increase social distancing on buses to and from athletic events with a goal of limiting the spread of and potential exposure to their respective activity. This alternative private transportation is permitted at the parent or guardian's request. A building administrator must approve all private transportation to and from student activities. To receive the necessary approval, please fill out the form below and turn it in 24 hours prior to the event.
