2019 St. Catherine Academy Fall Photo Day

Greetings Coaches! My name is Robert Bowden and I own Robert Bowden Photography. We are your new sports photography company. My team can't wait to meet you and to work your programs this season. Our goal is to make photo day completely painless and fun for you.

All orders are placed online using our online digital order form. Each team has a unique ordering link listed below. Please note for security we only accept credit / debit card payments and onsite orders are not accepted.

Please send the order link below to your team/parents.
All orders need to be placed before the photo day!

Team and senior banners are very popular options especially as senior gifts. My team is creating a custom banner unique to SCA athletics. You can find examples from other schools at the end of this letter. This is the standard banner for all SCA teams and is part of the larger unified athletic brand. Teams have the option to order in bulk banners for every senior or to allow parents to order on their own. Some teams even choose to order a banner for every athlete.

Please plan for 30 minutes per team to be photographed. We will be taking a group photo and individual photos of each athlete. A copy of the photos are donated to the school yearbook & ADs office, so we want to be sure to photograph every athlete, regardless if the athlete is ordering a photo package, so no one is left out. Each team receives one free 8x10 for the head coach in addition to the 8x10 that is provided to the school for display.
