**GOOD STANDING:** Students must pass a yearly, required drug test and any random drug test in order to maintain good standing. This allows for representing their school teams and maintaining a parking permit. Failure to comply may result in athletic/parking penalties including, but not limited to:

1. Restrictions/penalties placed on their athletic participation.
2. A 90-day driving/parking suspension.
3. Other discipline at the discretion of the administration.

To regain privileges, students must follow school recommendations and pass the district drug test (at parent/guardian expense) at the conclusion of the parking suspension.

**I agree to the Student Drug Testing program for Boardman High School.**
