Re: Cynthia N. Almond, *et al* v. Singing River Retirement System, *et al*  
Cause No. 2014-2653

Dear Judge Hilburn:

Upon further reflection regarding your suggestion of a Special Master in this case, Mr. Barton and I would respectfully request that you appoint someone with whom you have worked, or someone who you know would take his or her role as directed and guided by the Court as instructed, and assist in expediting the discovery process in this very critical matter.

We would also like to point out that the Court ordered Defendant, Singing River Health System to produce the initial discovery documents within ten (10) days, and it was addressed and acknowledged by Ms. Duvall (May 13, 2015, Hearing Transcript page 31 attached herein), and as of the date of this letter, Counsel for Plaintiff has not received the first document from the Defendant, nearly two weeks after Your Honor ordered them to produce documents to counsel for Plaintiffs.

Sincerely,

1 out of 6 cases over there and I don't  
2 want to go running back in.

3 MR. REEVES: Just a point of  
4 clarification, I don't care about what

6 everyone to participate if they want to.  
7 Nobody has to.

8 THE COURT: Well, in 10 days we are  
9 going to produce those documents to the  
10 Plaintiffs.

11 MS. DUVALL: Correct, Your Honor. We  
12 will produce within 10 days and we  
13 anticipate there may be further  
14 discovery.

15 THE COURT: And I think it would be a  
16 good idea for us to set a date for us to  
17 reconvene and for the Court to take up  
18 what additional issues would be generated  
19 by after you got a chance to review those  
20 documents and/or if for no other reason  
21 just have a meeting for a status report  
22 for the Court.

23 So I would like for us to have  
24 an agreed date for us to reconvene here  
25 before we leave today. I would say
