This form is for Camperships only - to register for camp you must do so through the Lakeshore website: www.lakeshoreuma.com. An online registration deposit of \$25 is required to hold your spot in the camp of your choice. *(If this prevents you from registering online please check here _____)*

Camperships may be granted for 25% to 100% of the camp fee in the order that the applications are received until all funds have been distributed. We ask families to prayerfully consider the extent to which they are able to help pay for the child's camping experience.
