### Prayer Emphasis

This week, be praying for all our wonderful moms! Pray for protection, wisdom and discernment as they selflessly love on their families. Pray for an added measure of strength and patience and that moms actually get the opportunity to do some self care and get R & R. We know Mother's Day can be an emotional rollercoaster for some; therefore, we ask that you pray for grace for those who find this day difficult. May God's peace that surpasses all understanding fill your hearts and minds today and each day this coming week!
