Monthly Application: **Responsibility — Showing you can be trusted with what is expected of you.**

Key Question: **What do you have that you can share?**

Bible Story: Luke 12: 13-21

- What is a parable?
- What was the problem the man had in the parable?
- What was the man's solution for handling all his extra stuff or crops?
- Why do you think God called the man a fool?
- What would you say is the main point of this parable?
- No matter who we are or how much we have, what is something we all have that can be shared with others?
- Does this parable only apply to people with tons of stuff? Why or why not?
- If we believe that everything we have comes from God, how should that change the way we feel about sharing our stuff?
- Besides money or tangible possessions (stuff you can hold) what else does God give us that we can share with others?
- Being responsible is the opposite of being a fool. What are some ways we can show responsibility when it comes to the things God has allowed us to have?
- What's the main difference between being responsible with the things God has given us or being foolish?
- Would you say it's easier to be the GIVER or the RECEIVER when it comes to sharing? Why is it hard for some people to accept the help of others?

Spend time in prayer: Asking God to help you be more responsible and see how you can share what you have with those around you.

Monthly Memory Verse:

Suppose you can be trusted with something very little. Then you can also be trusted with something very large.
