Here's a fun, simple craft to help reinforce the story of Jesus calming the sea. It's a good way to remind us that when the world is raging around us, God is in control of it all.

1. Color and cut out both templates.
2. Make a small hole with scissors or a pushpin on the black dot in the middle of the circle and on the boat. Stick a metal brad through it, then open and bend the legs to secure.
