

First Gift

Every year around the holidays, as a church, we partner with Lee's Summit Social Services and make the "first gift" we buy, be for a family in need.

So you're invited to join with us as we hope to make a difference in several families lives this Christmas season. All you have to do is check out the list, purchase that gift, and bring it unwrapped to Summit Park Church. Thanks so much for making this Christmas so special for so many families!
