

COVID-19 SVC UPDATE

Due to COVID-19, we have canceled all of our services and activities until further notice. To minister the Word to you during these unusual times, we will offer several livestream opportunities each week. On Wednesday nights at 6:30, Pastor Gary will be teaching, and Thursday evenings at 6:30, Pastor Brian will be teaching from biblical texts pertinent for times such as these. We invite everyone to tune in both days. We will continue to have Sunday morning messages at 10 a.m. each week during the lockdown. You can access these messages and teachings on our website (<https://www.svchapel.org/livestream/>).

We invite you to use our church app for up-to-date information, as well as upcoming birthdays and anniversaries. Also, please remember, our ministry expenses do not diminish, even though we are unable to meet. We encourage you to continue to remember us in your giving. You can give online here: <https://www.svchapel.org/members/giving/>.

None of us know how all of this will play out over the coming weeks, but we take great comfort in knowing that God does. He has not been caught off-guard by the Coronavirus, or the fall-out that accompanies it. Perhaps He is at work reminding a world which thinks they do not need Him, of His sovereign majesty. Our trust is in Him. He has proven trustworthy in the past, and He will show Himself trustworthy again.
