

SiriusXM products have either a 12-Month Limited Warranty, a 90-Day Limited Warranty, or a 90-Day Limited Warranty for Refurbished Products. This warranty information sheet will assist you in determining the specific warranty for your SiriusXM product.

1. How to determine the Limited Warranty for your SiriusXM Product

To determine the type of warranty for your SiriusXM product, first locate the model number on the label of your SiriusXM product or on the product packaging. Then consult the chart in section 2 with your model number and find the type of warranty for your product. Then proceed to section 3 for the full terms of the product warranty.

PLEASE NOTE: If you cannot find your product's model number in section 2, this means it was sold prior to 2015 with a 90-Day or 12-Month Limited Warranty which has expired.
