

## LEXL™

## LED Combination Exit Sign

The LEXL™ Combination Exit Sign features an attractive, contemporary thermoplastic housing design. Ideal for commercial and institutional installations, the LEXL series combination unit blends perfectly with current interior decors. LEDs are used throughout the design for the LEXL combo, which make it a popular choice for LEED-certified projects.

### Features

<b>Body</b>	UV stabilized, UL94 5VA flame retardant ABS thermoplastic; available in white or black
