

Where practical knowledge meets wild inspiration.

An experience made for you...

- The Planning Committee is made up of users like you, who work to create **a schedule full of the topics you want and need to learn about.**
- Since **every attendee comes from arts and cultural organizations like yours,** sessions are both relevant and timely.
- **Choose the sessions that are right for you and your organization.** Check out any session you like, on any topic, at any level.
- **TLCC is exclusively for Tessitura users;** it is not about selling Tessitura. All sessions are focused on learning about Tessitura and exploring topics related to our arts and culture industry.

Discussions

Choose from more than 200 sessions devoted to marketing, ticketing, fundraising, education, finance, membership, visitor services, digital technology, executives and more.

TLCC has become what I would say is the best return on investment for our company, because we have been able to secure super users almost overnight.

Alfredo Garcia, Miami City Ballet

**Gain insights and inspiration while making
meaningful connections.**

Meet Industry Innovators

TLCC is where leaders from the arts and culture industry meet to explore innovative solutions, learn from others' experiences, talk with vendors, and engage with peers.

Impact the Future of Tessitura

Engage in the brainstorming process for future software features. Roadmap sessions invite you to share your needs directly with developers.

Advance Your Knowledge

Looking to improve your skillset? Seeking ideas to move your organization forward? Learn from experts in the field in over 200 sessions.

Make Valuable Connections

Connect with colleagues from organizations of all sizes and genres. TLCC attendees come from all backgrounds, job roles, and types of organizations.

Learn more at www.tessituranetwork.com/conference

Beyond the network training and the tools that we can get at the conference, what I'm excited about is the strategic thinking that comes with having this incredible loop of people join together and sharing best practices.

Nancy Yao Maasbach, Museum of Chinese in America
