

MEhome Overview

Established on December 1, 2015, MEhome Realty is an Internet + Real Estate Agency that focuses on the global market and is committed to combining high-tech and traditional models to realize the real O2O of the real estate agency industry.

In the past three years, MEhome Realty has become one of the fastest-growing companies in North America. It has been widely recognized by the industry and has won the trust and praise of customers, becoming a leader in the real estate industry. MEhome Vancouver itself has achieved sales of 2.5 billion Canadian dollars, and an average 14 days sold after listing. MEhome Realty has produced a good number of star agents with annual incomes of more than \$500,000.

The current and upcoming branches in 6 months are Vancouver, Toronto, Montreal, New York, Dallas, Austin, Houston, Los Angeles, San Francisco and Seattle. The company's 2019 goal is to achieve full coverage of 20 cities in North America, thus reaching 3000 realtors. In 2020, MEhome will penetrate markets in Europe, Australia and Southeast Asia.

IT system

In two years, the company successfully completed the production of System V2.0 at the end of March 2019 on the basis of MEhome.com V1.0.
