WORKING WITH YOUR SCHOOL BOARD

WELCOME to another Twin Falls School District Board of Trustees Meeting. You are encouraged to attend all regular board meetings.

We are proud of our school system and the board members are dedicated to the continued improvement of the Twin Falls Schools.

We understand that from time to time patrons of school districts have concerns and feel a need to bring those concerns to the attention of the school or teachers. In order to maintain continuity and best resolve these concerns, we recommend to our patrons the following procedures:

1. The first and most effective step is to take the concern to the staff member who is closest to the problem. (In many cases this will be the teacher, coach, etc.) We have found that most problems are resolved at this level.
2. If there is still a concern on the matter, we then recommend that the concern be brought to the attention of the Principal. We have found that unresolved concerns from item #1 are usually resolved satisfactorily by the building administrator.
3. If the concern is not satisfactorily resolved at that level, then the concern should be taken to the Director of Elementary Programs or Director of Secondary Programs.
4. If the concern is not satisfactorily resolved at that level, then the concern should be taken to the Superintendent of Schools. Difficult concerns can usually be resolved.
5. However, if the patron still feels the concern has not been properly resolved he/she may use the right of appeal to the Board of Trustees. This is done by calling or writing to the Superintendent and asking for the item to be placed on the agenda of the next regularly scheduled board meeting.
6. If you desire to address the board, we would like you to be as comfortable as possible. As a board we hold public meetings which are not public forums and therefore have rules which are necessary for the benefit of all. The following guidelines will assist you as you present your information to the board.
 - A. Prepare your thoughts ahead of time. Usually a brief written outline handed to each board member helps the board follow your presentation. This outline would also give them something upon which to make notes as you speak.
 - B. If a group is involved, select one individual to be your spokesperson. He/she can then guide the presentation with the board and help the board chairman in directing questions to the group.
 - C. Plan your presentation to be as brief as possible. This should include a question/answer period. If more time is needed it is best to give a complete written presentation to the board for their future study. If you give more than five to six minutes of testimony, time restraints will make it difficult for the board to respond that same evening.
 - D. Usually the board will direct the administration to help resolve the concerns and ask for a report back to the board at a later date. However, please remember a solution may take time to be resolved.

We are eager to have our patrons and school staff working together for the improvement of education in the Twin Falls Schools.

Thank you for coming. Please come again.

Federal Law Section 205 states: “Effective school year beginning July 1, 2011, schools are required to charge students for paid meals at a price that is on average equal to the difference between free meals reimbursement and paid meal reimbursement. Schools that currently charge less are required to gradually increase their prices over time until they meet the requirement.” If the board accepts this increase, the elementary school lunch price will increase from \$2.55 to \$2.75; the middle school lunch price will increase from \$2.80 to \$3.00; and the high school lunch price will increase from \$3.05 to \$3.25. Dear Dan and Mike:

As you are aware, Twin Falls High School has been named the 4A 2016-17 IHSAA "School of Excellence". Your staff and students are to be commended for this outstanding achievement. If you have any questions regarding the award, or will be unable to attend the Annual Meeting, please don't hesitate to contact our office.

2016-17 Schools of Excellence

The Idaho High School Activities Association is pleased to announce the 2016-2017 winners of the "Schools of Excellence" program. This year-long, voluntary program in which schools earn points based on their student-athletes' performance in athletics, academics and sportsmanship is the top award for the IHSAA and its member schools. The participating schools in each classification with the best overall programs will be recognized at the IHSAA Annual Meeting, August 2nd.

2016-2017 "Schools of Excellence"

5A	Rocky Mountain High School	Mike Hirano, Principal; Troy Rice, AD
4A	Twin Falls High School	Dan Vogt, Principal; Mike Federico, AD
3A	Sugar-Salem High School	Jared Jenks, Principal; Jay Miller, AD
2A	Declo High School	Roland Bott, Principal; Kelly Kidd, AD
1A Div I	Prairie High School	Carrie Nygaard, Principal and AD
1A Div II	Community School	Matt Barnes, Principal; Richard Whitelaw, AD

Exemplary Achievement Status is awarded to schools of each classification that finish second and third in the final point compilation. 2016-17 Exemplary Achievement high schools are: 5A: Mountain View, Eagle; 4A: Bishop Kelly, Century; 3A: Weiser, Shelley; 2A: Bear Lake, Ririe; 1A Div I: Oakley, Glens Ferry; and 1A Div II: Deary, Lighthouse Christian.

The three major areas of high school activities are weighted equally in determining recipients of the award.

- The Academic Component is based on the varsity team's cumulative GPA as submitted on the State Academic Champions application for all IHSAA sponsored sports/activity programs.
- The Performance Component is based on place of finish at IHSAA-sponsored state championships and activity program competitions.
- The Citizenship Component is based on a school's self-evaluation of their citizenship/sportsmanship activities as submitted on an itemized form. Deductions are made by the IHSAA for player and/or coach unsportsmanlike ejections and also for unsportsmanlike school behavior at state tournaments.

In addition to the primary awards, schools that score 90% on the Citizenship Component and have no player/coach ejections throughout the year or incidents of unsportsmanlike school behavior at state tournaments will receive an "Award of Excellence" certificate. The 2016-2017 Award of Excellence schools are Centennial, Highland, Lake City, Boise, Twin Falls, Bishop Kelly, Sugar-Salem, Weiser, Snake River, Bear Lake, Ririe, Salmon, Grangeville, Prairie, Oakley, Glens Ferry, Troy, Grace, Notus, Lighthouse Christian, Logos, Garden Valley and Cascade.

Twin Falls School Board of Trustees:

A bid was advertised for our O'Leary/Perrine HVAC Control Project. One company submitted a bid, which was opened at 3:00 PM on May 24. I recommend accepting the bid of \$108,983 submitted by Clima-Tech Corporation. The breakdown of the cost is:

O'Leary: \$59,210

Perrine: \$49,773

These prices fall within the estimated cost of work and are in line with current industry cost.

Sincerely,

Dr. Brady D. Dickinson, Director
