**10th Grade Math Classes**

First Semester Math  Second Semester Math

*You will be placed in your math class by teacher recommendation.*

**Instructions: Number your electives 1-10 in order of your preference for the classes. Your first preference should be #1 and your last preference should be #10. If it is a year-long class, the numbers should be consecutive for both boxes of that class. See example below. Choose carefully as the sections are created according to the number of requests, and changes will not be made in the fall. The computer will schedule you in 4 of your 10 choices.**
