Dear Families,

Welcome to November! It's hard to believe that 1st quarter is over and we've already had parent teacher conferences! We hope that conferences were helpful in understanding your child's progress and helpful in building a working relationship with your child's teacher. Students, families, teachers, and the school are on the same team and we always want to keep the lines of communication open. If you have a question or concern, please feel free to contact your student's teacher. Teachers are happy to work with you!

The weather is getting colder each day it seems! Idaho weather goes from bad to worse this time of year! We kindly ask you to label your students' coats, hats, gloves or other winter items. Sometimes it warms up and students leave jackets and items outside.

We ask that families continue to utilize the drop off lane for student drop off in the mornings and direct their student to the playground area. Students can stay warm by choosing to eat school breakfast (which is free of charge for all students by the way) or go into the gym to read a book. Students will be supervised in the gym. The gym will be open until spring. Please do not park in the drop off lane to sit with your students.

Upcoming Dates/Events

November 15 – Picture Retake Day

Thanksgiving Lunch (\$4.55, exact change only, please)

Bingo for Books – 5:30 – 7:00 PM

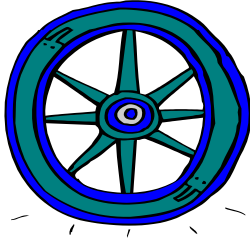

November 19-23 – No School – Thanksgiving Break

November 29 – 1st-3rd Christmas Concert – Roper Auditorium – 6:30 PM

Thank you for all you do to support your children! We love being able to work with them!

Tyler Matlock
Principal

LeeAnn Morgan
Assistant Principal

AFTER SCHOOL MESSAGES

Please call the office prior to 2:40 if you have a message for your child regarding afterschool plans. This will help ensure that messages are delivered before students are dismissed.

SCHOOL START TIME

Please remember that the First Bell rings at 8:00 AM with the Tardy Bell at 8:05.

It's imperative that students arrive on time. It may only seem like 15 minutes here and there. But over the course of a school year 7 or 8 days of arriving late adds up to hours of missed instructional time!

What's going on at the OT Library?

Our school library is a dynamic space with many purposes. We have a wide range of resources that support learning and teaching and help to build a lifelong love of reading. Not only is the library a great place for reading but on Fridays the library is also used as a place where classes come and do fun STEAM activities. These activities help them learn to collaborate and work with others, use critical thinking skills and learn new hobbies.
