## PARENT INVOLVEMENT

### PARTNERING FOR SUCCESS THROUGH TITLE IA

Dear parent,

The Twin Falls School District urges all parents to partner with their child's teacher and school to ensure that each child has every opportunity for a positive school experience and high achievement. Our district Parent Involvement Policy for Title IA schools outlines the actions and activities we offer to enhance this partnership. Parents may access the full policy through the link on the Twin Falls School District web page: see Policy # 677.10 and 677.10P or via the District Policy Manual located in each school.

As stated in the policy, our school:

1. Has a Building Leadership Team that includes parent representatives. Parents may contact the principal for further information or to volunteer to serve on the committee.
2. Encourage the participation of parents from minority groups on the Building Leadership Team and in the PTO/PTA.
3. Will hold conferences with parents regarding their student's academic progress, including progress on the Idaho State Achievement Test and other federal and state assessments.
4. Keep on file a Parent/School Compact which defines the expectations of parents, teachers, and students to ensure a productive, positive school year.
5. Make the parent involvement policy available to all parents.
6. Host an annual fall open house.
7. Provide a parent survey so that parents can share ideas and provide input on areas of strength and need.
8. Inform parents about the district and school websites and Power School.
9. Host one Academic Involvement Event for parents each semester.
10. Work to communicate in the home language of the students.
