- **Student-Led Conferences**
 - Week of March 16th

Instrument Family

- **Brass**
 - Trumpet
 - French Horn
 - Trombone
 - Euphonium
 - Tuba

Classroom News – A Special Message to Parents

As we close out the Third Quarter of the school year, The music room is ramping up to start writing and performing our own compositions in class.

With so many digital technology options available, it is fun to experiment and see what is possible in the world of music. Tools that make it easy to compose music, manipulate sounds, write notation, and collaborate together are just some of the tools we will be using in the coming months.

For me and my classroom, technology is not a toy but a powerful enhancement to the music curriculum. Students become very enthusiastic about the possibilities available to them and can't wait for the next opportunity to "play." However, it is far from "playing."

The month of March is Music In Our Schools Month and there will be a performance by the 4th Grade students on the recorder, and a performance by the 5th Grade students on the Ukulele. These performances are both open to parents.

In addition, the Honor Choir will be performing for students during lunch on March 18th and although this takes place in the school, there is not room for parents to attend as the Cafetorinasium will be full of students eating. There will be other opportunities for parents to come hear the Honor Choir.

Finally, as well as March being Music In Our Schools Month, April is Jazz Education Month. Jazz is all about improvisation, and students will hear Jazz as well as improvise their own melodies in the coming weeks. This is a critical part of music education.

As always, parents are welcome to come observe the music classroom at any time. Please make sure you know when your child has music so you are able to visit during the appropriate scheduled time.

Erin go Bragh!
