A Peek at Our Week

Wonders Reading: This week our class will be reading stories about how people work together to solve problems. Children will also learn ways to make decisions, including the concept of voting. **Vocabulary:** **decide, opinion** Discuss how your family works together to make a decision. Explain that people have different opinions, or ideas, and that voting is one way of making a decision. **High-Frequency Words:** **who, good:** Using your finger, softly write the words *who* and *good* on your child's arm. Then ask your child to write each word on your arm. Think of sentences that use each word. Write the sentences on paper, then encourage your child to read them aloud. **Category Words:** **question words.** Think of a decision your family needs to make, such as what book to read before bedtime, or what foods to prepare for a meal. Then help your child form questions that will help the family make the decision. **Phonics:** **Long u.** Play "Thumbs Up, Thumbs Down." Tell your child to show thumbs up if you say a word with a long *u* sound, or show thumbs down if the word doesn't have a long *u* sound. **Comprehension:** **sequence.** Have your child write the numbers 1, 2, or 3 under pictures to show what happened first, next, and last.

Bridges Math: We will continue learning about addition and subtraction by doing various activities in class. Please practice with flashcards at home to increase fact fluency.

SPRING IRI: We've been working all year for this and now the Spring IRI is in two weeks! Please make sure your child is practicing their sounds fluency every night. The goal is 40 sounds in one minute!

It's a busy time of year! Please check the back of this newsletter for more info.

Parents- If you are wanting to go on the field trip to the fire station you **MUST** notify your child's teacher and fill out a background check ASAP. Backgrounds checks take up to two weeks to clear. Time is ticking!
