

Important Dates & Information

Dear Parents,

Our Lincoln Family STEAM (Science, Technology, Engineering, Art, and Math) Night is Thursday, May 17th from 6:00-7:30 pm! We need your help in creating some "Family Fun" baskets to raffle off during the event. If you would like to help, please send items that go with the "Family Fun" theme in to your child's classroom!

You are invited to Lincoln's Family STEAM Night

(Science, Technology, Engineering, Art, & Math)

Thurs., May 17th from 6:00-7:30 pm

Coding- Archaeology- Make Slime- Learn about the Rock Cycle-
Plant Seeds- 3D Shape Building- STOMP Rockets- Marble Run-

Admission is **free** to ALL. There will be a gift basket raffle.

Bring the whole family for a night of FUN and LEARNING!

May 7-11th: Kindergartens Spring IRI. Remember to be timing your child on his/her letter sounds for 1 minute each night. Our class goal for the Spring IRI is 40 letter sounds in one minute.

Monday, May 7th: Lunch like a First Grader! Our half-day kindergarten classes will practice eating lunch like first graders **Mon., May 7th**! On the menu will be chicken nuggets, a couple of side dishes and low-fat milk. Morning kindergarteners will eat at 10:40 am and afternoon will eat at 12:10 pm.

Tuesday, May 8th: Graduation pictures- watch for order forms to come home!

Friday, May 11th: All kindergartners will visit the fire station, library, and city park. Please sign and return your child's permission slip if you haven't already.

Wednesday, May 23rd: Kindergarten graduation in the cafeteria!
