Objectives!

WIN Time: Students will be working on ISAT Interim Practice to help prepare for Spring ISAT Testing!

Math Homeroom: We will begin to multiply whole numbers by fractions and continue to build skills in long division.

Science: Students will continue learning about ecosystems and life science!

ELA: We will explore author's point of view, expository text, and summarizing strategies by using graphic organizing. We will learn about defining and restating as well as explore natural resources.
