4th Grade Weekly News

October 21-

25, 2019

Our classrooms have been focusing on empowering students to be leaders. Our focus has been habit 1: Be proactive and habit 6: Synergize. We can go so much farther when everyone takes ownership for their own learning as well as helping the group as a whole succeed. Continue nightly math practice and reading. Thank you for signing agendas nightly. Your home support is SO important!

In partnership,

Mrs. Alger, Mrs. Boyle, and Mrs. Day
