4th Grade Weekly News

October 28- Nov, 1,

2019

Our classrooms have been focusing on empowering students to be leaders. Our focus has been habit 1: Be proactive and habit 6: Synergize. We can go so much farther when everyone takes ownership for their own learning as well as helping the group as a whole succeed. Continue nightly math practice and reading. Thank you for signing agendas nightly. Your home support is SO important!

In partnership,

Mrs. Alger, Mrs. Boyle, and Mrs. Day

Events

Students go outside each day. Please send them to school in weather appropriate clothing.

Halloween is this Thursday! Just a few things to be noted in regards of what to expect this day:

- ❖ No costumes will be worn or brought to school.
- ❖ Students are allowed to wear a Halloween themed shirt or black and orange to celebrate.
- ❖ Halloween parties will be celebrated the last 30 minutes of the day.
- ❖ You may send treats if you'd like with your student for the party, but it will be short and no parents are needing to attend.

Thank you to all those who attended PTC last week! It was great meeting with you and your child!

Reminders
