Objectives!

ELA: We will be exploring the past, working in Kagan groups to answer and ask questions about civilizations of the world, and summarizing our findings and evidence! We will focus on Author's point of view and connecting it to details within the text.

Math : We will continue to work on ratio tables, the algorithm , understanding the algorithm, and going from the box method to the algorithm.

Science:/Social Studies : We will be learning about the process of the American Government and the Three Branches of the Government including who works in the branch, the job of the branch, and where/when the branch fulfills these roles.

Math Intervention: We will break up into groups and begin Bridges Intervention at our achievement and placement levels, as well as do small group work with iStations, and interim practice. Progress Monitoring is every Thursday!
