collecting
Box Tops!

This/Next Week's Schedule

Monday, 11/9 (8-11:30): Blue
Tuesday: Blue
Wednesday: Gold
Thursday: Blue
Friday: Gold

Monday, 11/16 (8-11:30): Gold
Tuesday: Blue
Wednesday: Gold
Thursday: Blue
Friday: Gold

Reading

A Peek At What We Are Learning

Essential Question for the Week: Where do animals live together? We will be reading stories and writing about how animals live together. During phonics, we will be working on words with ending blends, such as lend, fast, and sink.

Math

Students will get to write addition expressions and compare equations within the range of 0-120. They will also get to engage in activities with the "difference model" in subtraction.
