December 14-17, 2020

Dear Kindergarten Families,

We are in our last week of the quarter! It's amazing that we are halfway through kindergarten!

This week we are requiring students to check in their Ipad and school-issued headphones, along with Wifi hot spots. Please make sure to send those items with students.

There will be optional packets sent home this week. Students should also have flash cards (previously sent home in at-home learning folders). We encourage everyone to read at least one book per day!

We hope everyone has a wonderful winter break!

Merry Christmas,

The Kindergarten Teachers

What We Are Learning

- Reading: We will be reviewing previously taught standards, sight words, letters and sounds. We will also be writing!
- Math: Reviewing previously taught standards and taking time to celebrate our academic growth and Christmas!
