What We Are Learning

- Reading: This week's unit is My Family and Me. our focus will be introducing the alphabet, the sight word: **can**, recognizing rhyme, and finding how many words are in sentences. Our category words are numbers.
- Math: We will be learning about Number Corner activities, such as the calendar (months, days of the week, and dates). We will also be counting objects, adding to our collection, and numbers to 10.
