No School

Reminders

Please keep all toys
at home.

Please make sure
that your child is
dressed for the
weather.

A Peek At What We Are Learning

Reading

Essential Question for the Week: How is life different than it was a long time ago? We will be reading stories and writing about life now and long ago. During phonics, we will be working on words with long e, long o and long u, spelled e_e, o_e and u_e.

Math

Students will have explorations with open and closed number lines. We will focus on skip jumps along the number line in multiples of 5 and 10. They will also develop confidence adding and subtracting in multiples of 5 and 10.
