REMINDERS

- ❑ Please keep sick kids at home. Students need to be fever free without fever-reducers for 24 hours before returning to school. With RSV spreading, please pay attention to coughs as well.
- ❑ Please call the office or message your child's teacher through SeeSaw to verify absences.
- ❑ To make this busy season as smooth as possible, try keeping bedtime routines consistent. Reading for 20 minutes before bedtime is a great way to unwind!

LEARNING FOCUS

Reading: What Do People Use To Do Their Job? Letter /sound Oo. Sight word: you. Vocab words: utensils, uniform, equipment, expect, remained. CVC words like pot, mop, mom, and rod.

Math: Counting sequence. Numbers 1-20 and 1 more or 1 less. Example: 1 more than 8 is 9. One less than 7 is 6. Continuing pattern work.

Leadership: Synergize: Together is better. There is more than just my way or your way, there is a 3rd alternative. To find it, we need to listen, value others opinions, and be open to new ideas.

Social Skills: Ignoring distractions and things that annoy us so we can be more focused and productive. Talk about things that annoy you and how you can ignore them. What does that look like?
