Yearbooks

Parents, we are running a special right now on yearbooks. A flyer was distributed in advisory on Friday highlighting this money saving opportunity. The cost of the book is \$55. For Five additional dollars students can add their name to the book and get 3 free icons (a \$12 value). If a student bought a book at registration, they can still take part in the offer. They just need to turn in the form with \$5 to the bookkeep. This is good until October 27th We are also accepting on line sales. The awesome thing about online sales is that students can setup payment plans with Jostens.
