DRAMA WINNERS AND A STATE CHAMPION

This weekend we had our State Drama competition. Over 500 students from all over the state gathered at Century High School to share their talents and compete against one another. In the team score we placed 4th overall, which is a big accomplishment for us (we don't get a trophy or anything, but it's still nice to know) Delanie Blackburn made it all the way to the final round with her Pantomime, which is huge! Nickodemus Ipock also made it to finals with his pantomime – for a first time competitor (and a sophomore) this is also a tremendous accomplishment Jaci Calderon made it to finals with her Original Serious piece (a piece she wrote herself). She got first place in that event – We brought home a State Champion! Please congratulate these talented students when you see them! They worked very hard and deserved the success they had at the competition! Thank you for your support! Seve Isaacs
