SAT

The 2020 Idaho SAT School Day is fast approaching. School day testing is APRIL 14th. Students may choose to take the SAT with essay at no additional cost. Students who wish to take the essay must register for themselves between January 27, 2020 and February 5, 2020, by 10 p.m. Students may add the essay to their registration through their online College Board account or stop by the Career Center for an Optional Essay flyer for the step-by-step registration process. See you in the Career Center.

Junior Girls

All junior girls who are interested in attending the Girls State at Northwest Nazarene University on June 14-19 please see Mrs. Nelson in the counseling office. Attending the conference will increase your leadership skills and allow you to build relationships with other students across the state. You will be eligible to earn college credits by attending a Political Science class during the session and have the possibility of going to nationals in Washington DC. Participation in the program is something you can add to your high school resume and it will be an asset on scholarship and college applications. Applicants must be in their junior year of high school and have a GPA of 2.5 or above. Completed applications are due February 14. Please see Mrs. Nelson for more details.

Students

ACT test for Feb 8th has been cancelled. Please sign up for April 4th date.

Drivers Ed

Drivers Ed sign ups at Bookkeepers office now through February 6th! Class starts Feb 24th!
